

What is the **KURIOS** Conference?

This conference gets its name from the Greek word ‘kurios’ which means Lord. It is the name that was given to Christ “so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father.” (Phil 2:10-11)

It is our intent each year to study topics which relate directly to the Lordship of Christ Jesus; to answer two primary questions:

1. Who is our Lord and God?
2. How should we live as citizens of His kingdom?

We invite you to join us for the 2019 Kurios Conference. It's our desire that, united as Christians, we can come together to study the Word of God.

TRUTH

*“Lead me in your truth and teach me,
for you are the God of my salvation;
for you I wait all the day long.”*

- Psalm 25:5

Saturday 6th April
9:30am - 3:30pm
New Plymouth

TRUTH:

SPEAKER: Dr. Phillip Scheepers

Dr. Scheepers is the Vice-Principal of the Reformed Theological Seminary in Australia where he lectures in Missions and Church History. He has spent time in the mission field, both in South Africa and London, training church leaders for ministry in the Arab world. Phillip is married to Chanel and they have two boys.

Jesus answered, "You say that I am a king. For this purpose I was born and for this purpose I have come into the world—to bear witness to the truth. Everyone who is of the truth listens to my voice." Pilate said to him, "What is truth?" ~ John 18:37-38

We live in a post-truth culture. This means two things: 1. facts have been replaced by feelings, and 2. everybody has their own “truth”. People are less interested in discovering truth than they are in avoiding offense.

As Christians, this has a significant impact on how we live and engage with our society. Even outside of our ability to speak to others about Christ, we’re being pressured to give up on the firm foundation God has given us for life.

Come join us as we seek to learn more about one of the foundational principles of Christianity:
Why is truth so important to God?
Where do we find it? Is the Bible really relevant in ‘real life’? How does truth affect our relationships and impact on the fabric of our society? And should we even care?

“In a time of universal deceit, telling the truth becomes a revolutionary act.”

- George Orwell
